

Edu GamEco
 Training course, Lefkas, Greece
Final evaluation questionnaire

At this point of the project, we need your feedback and we ask you to **fill** this questionnaire. We are collecting this kind of information in order to check the results of this project. **Your point of view is important. Read carefully** questions and items and **put a cross** on the answer, which represents best your judgement.

Name

Logistics, accommodation, food

The accommodation: 1• 14•
 The food: 2• 4• 3• 2• 4•
 Activity spaces: 1• 6• 8•
 The timetable: 1• 6• 8•
 The free time: 1• 1• 1• 11•

Comments about these

- It's always good to have the opportunity to discover and explore the traditions and the environment of Lefkada.
- Accomodation was very good. For me food was tasty but one day I was ill because of food. We have a lot of free time, I could sightsee Lefkada, swim, sunbathe...
- The hotel was amazing even if the food was basically the same everytime.

Introduction activities

Welcome, getting to know each other: 1• 2• 3• 8•
 Getting to know the program: 1• 1• 5• 8•
 Your motivation, thing you wanted to learn, who can help in your learnings:
 1• 5• 7•

Did you understand the purpose of the training course and did it fit your expectations? How?

- Yes from the infopack.
- At the beginning I didn't understood very well the idea of the project but during the time this things were clarified and now I love the project.
- Yes, this project is very important for learn english.
- Yes, it was really helpful and interesting actually to work with wood and see the result, the E-Training will be useful.
- I learn non-formal method for my students.
- Yes, in the end we developed for real toys.

- Yes, I understand.
- Yes I understood the purpose and the part of creating toys was even better than my expectations.
- Yes, after 3 days but I did. It was good to have a view of social entrepreneurship in Europe.
- Yes I did. I contributed my knowledge of entrepreneurship and also shared experience in educational field while working in toys.
- Yes, the content and activity were like it was mentioned before and we follow plan and schedule.
- Yes.
- Yes, I learned how to create a toy using machines, I develop my digital skills, creating a course on a moodle.

Do you think the group dynamics was good? Why?

- Yes, good facilitators, nice participants.
- Yes it was good because we had a lot of activities together.
- Yes, I think that the collaboration of the group was good.
- It was good, we had an ideas shared them and did what we want.
- Yes, we spent good together.
- Maybe the group could be more close
- Yes because small group with good leader.
- Yes, they help to get information, other opinions and understanding them better in a non formal way.
- Very good. People were quite enthusiastic.
- I think that this time people was more autonomus but the groups dynamic was good.
- It depends, sometimes yes. I met new people and I had opportunities to talk but not everybody wanted to talk.
- People was good. Atmosphere nice, pleasant, people smiled, helpful.
- Focus on working and not very talkative but still good.
- Yes, because people was motivate.

Intercultural Activity

Intercultural Night: 2• 3• 9•

What did you learn about the other cultures?

- Not a lot of things.
- I learn the different ideas, food.
- Everytime you can learn something new.
- Europe is an alcoholic world.
- I learn another one that each culture is a treasure.
- A lot of things, not able to write everything.
- Estonian alcohol- no. Romanians love to share a lot of food.
- Food about their countries.
- I learnt about traditional food, dances and language, specially Greece.
- Different kind of food.
- My country didn't prepare dishes and I didn't feel good because of this situation.
- I didn't know that I have to take polish food from my country.
- Drink a lot.

Learning about Edu GamEco

Planning the toys:	1 • <input type="checkbox"/>	2 • <input type="checkbox"/>	12 •
Creation of the toys:	1 • <input type="checkbox"/>	13 •	
Testing the Educational toys:	1 • <input type="checkbox"/>	13 •	

Learning about Sustainable entrepreneurship

Presentations by countries about sustainable businesses	1 • <input type="checkbox"/>	6 •	8 •
Presentation and discussion: (guest - Emmanuel Labithianakis)	1 • <input type="checkbox"/>	3 •	5 • 7 •
Role play:	1 • <input type="checkbox"/>	4 •	10 •

Comments

- I already know well the topic, I learnt a lot of new issues especially examples.
- I didn't like the role play I felt that we did it (the group) only because we had to.
- A role play in english for me, it is life to imagine a turtle on the moon.
- Presentation at the guest would be preferably more interactive.
- Presentations were to formal and no very dynamic.
- I had opportunities to know more information about social economy and social entrepreneurship from other countries. I study also international economy and I like these activities.
- I was more interested in the toys part but it doesn't mean the rest was bad.

Learning about Online Platform e-evs.eu

Discovering the moodle platform:	1 • <input type="checkbox"/>	3 •	5 •	4 •
Creating the online Trainings:	1 • <input type="checkbox"/>	7 •	4 •	

Did you have enough opportunities to learn about educational and ecological toys/Moodle online platform?

- Yes
- Yes I had but I think that the part about toys creation wasn't enough. I still dont know how to use the machines.
- Yes.
- I learned about moodle few years ago but I forgot, now I remember. I will learn about educational toys and games because I am interested.
- Yes, also thank to the knowledge shared from each participants.

- Yes.
- Yes we have time to learn and create the training. I knew about moodle before so it was easier for me.
- Yes, I had opportunities to learn about how to create educational and ecological toys, moodle online platform.
- I had a problem with login to the moodle platform I registered and I got link to my email.
- I think yes.

Exhibition

Preparation for the exhibition:	1 • <input type="checkbox"/>	13 •

Trainer and staff

Trainer:	1 • <input type="checkbox"/>	13 •
Volunteer team:	1 • <input type="checkbox"/>	13 •

Do you think the trainer/volunteers were competent? Do you have any advice for them?

- No, they are really great. Maybe improve a little bit their english.
- Yes, the volunteers very competent. Thank you!
- They were great thanks for all them!
- Yes, they are implicated and good.
- The trainer was prepared and patience, always ready to meet participants need.
- Trainer yes and several volunteers too but for the others less competent I think they are here in order to learn and become better.
- Every member of organisational team was helpful and was prepared well for running the project.
- Yes, they were competent and they did a great job.
- No, I don't have any advice for them. They did a very good job!
- Trainer and volunteer team were great, they were competent.
- Trainer and others were nice so much, pleasant, smiled, helpful.

- You are all patient, positive, open-minded and amazing. Advice, don't change please!
- Thank you to Reka, Cyrielle and Issam.

Free time activities

Discovering Lefkada: 1 • • • 2• 12•

Visit to Eco house : 1 • • 3 • 4 • 7•

Comments

- Just not really fan of eco-house.
- Lefkada is wonderful and we could see it.
- I was in ecohouse so it was news for me, I really like discovering Lefkada, many beautiful places.
- It was nice to see how the second ecohouse evolved. And lefkada is still a wonderful place.

Other aspects

How do you think you have contributed to the training course and the learning process?

- I hope mainly with my experience in social economy issues
- I created toys and an e-course.
- I made wooden toys and helped with developing e-course.
- Hope I was helpful with making toys and transform an ideas to real stuff.
- I came here and I was open at learn. My contribution was good at practice at produce educational toys.
- I shared my energy and knowledge.
- My contribution- wood experience.
- I made an intro of opportunities offered by my country which might be used by participants in the future in a field of entrepreneurship.
- Specially with moodle platform. I help my group and other groups with technical support. also creating my training and the toy.
- With my creativity.
- My new working skills.
- That's a good question.

What should we do in a different way next time?

- More common evenings.
- Cultural nights.
- Food and energizers.
- Maybe just a little more time (2 weeks) to do all thing without push.
- Next time must I have a better level of english speak.

- Be aware of the food.
- Food.
- I think that good food makes participants more enthusiastic.
- Maybe I will plan new toys in Poland.
- Maybe make more toys or wooden dally, tools and other stuff.

What are you taking home with you?

- Many friends and projects, ideas. But I left a piece of my heart here.
- Knowledge about social economy.
- Good memories and connections.
- Good mood, new friends and knowledge about how to work with machines and wood.
- I take home the beautiful experiences and open attitude for the sustainability.
- Feelings, ideas and partnerships.
- Greek spicies, food, jewelry.
- Translation skills, new energy and new friendship.
- New connections.
- Social entrepreneurship information. Lots of memories and good ideas.
- A little wooden dinosaur made by me.
- I will take wonderful memories from Greece, new countries.
- Memories, new knowledge and I don't the good weather fits in my suitcase.

I'd like to say

- Love
- That the project was very well organised and I change my mind about wooden toys (in a good way)
- Thanks to all. It was really great time in Lefkada.
- That experience is unique. I have experience of 5 years at educational game, but not with game from natural materials. I love that! I will use to my activity wood's game.
- Thank you Reka, Mohammed, Cyrielle, Hazar, Issam, Renaud, Anastasia...
- Je suis content d'avoir participé, merci pour votre engagement et energie. Bonne continuation.
- Thank you Reka for your patience and flexibility.
- Thank you!
- Thanks.
- Thank you Mohamed, Reka, volunteers team.
- See you soon!
- It was a beautiful experience, again thank you!

THANKS FOR YOUR ATTENTION AND PARTICIPATION
